What goes around  
comes around!  
No longer just  
a remnant of  
yesteryear, breeze  
blocks are making  
a comeback for all  
the right reasons.

Our new range  
of breeze blocks  
is a playful  
interpretation  
of those vintage  
classics - and with  
three stunning  
designs, the range  
provides endless  
opportunities to  
experiment with  
patterns, shadow  
and light.

Samples and displays should be viewed as a guide only. Colour/shade variations occur from batch to batch. Colours shown in this brochure are indicative only and should not be used for final selection. Whilst every effort is made to supply product consistent with brochures and examples, some colour and texture variation may occur within production runs. Not all colours are available in every region for each product. See your retailer for colours available in your region. Products ordered should be chosen from actual samples current at the time of order and are subject to availability. Photographs in this brochure are only representative of Midland Brick products and the appearance and effect that may be achieved by their use. Customers should ensure all delivered products are acceptable, and any concerns about products are made prior to laying.
